PERSONAL DEVOTION

How Can I receive God's Love?

- A** **Accept** that God Loves me but I have sinned, displeased Him and cannot save myself from my sins. My sins are separating me from God.
- B** **Believe** that Jesus paid for my sins by dying and taking my place on The Cross. Jesus took my sins so that I can have a relationship with God. He is God's Love Gift to me.
- C** **Confess** that Jesus died for me, believe that He rose from the dead and receive Him as my Lord and Savior.
- D** **Develop** my relationship with God by Reading The Bible, Praying Daily and Attending a strong Bible Believing Church.

Jesus is God's Gift to us and He is God's Sacrifice for our sins. You can live forever. It is time to live the New Life.

IT IS TIME TO PRAY

The most powerful reality for us as children of God, is that He will answer when we call on Him through His Son Jesus.

Prayer based on convenience and comfort is only the beginning of the training necessary to become a militant soldier of Jesus. Many will never find answers because they do not pray. People who find answers from God are praying people.

Let take a moment a meditate on the 2 Chronicles 7:14:

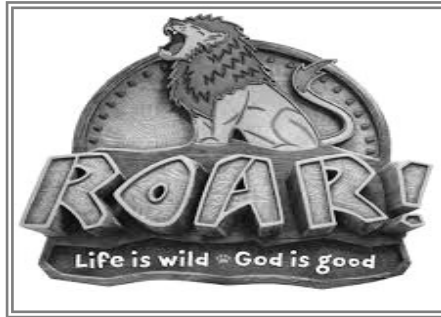

1. **PRAYER** — A praying person depends on The Lord for His direction, wisdom and power. Prayerless people are powerless people. God is waiting to hear from His people. Prayer is still in style.
2. **HUMILITY** — Humility before God and man is our bedrock in The Kingdom. We cannot climb high if we are weighed down with pride, self and sin.
3. **REPENTANCE** — Turning from wickedness and turning towards Jesus will enable the believer to experience The Power of Holy Spirit in every area.
